<b>Outside County</b>	\$90.00 Per Thousand Gallons
<b>PRETREATMENT – PERMITTING FEES FOR SIGNIFICANT INDUSTRIAL USERS*</b>	
When submitting an Application for Discharge Permit, the applicant shall also pay a permit fee based upon the applicant's expected or actual wastewater discharge rate. A fee of \$500 shall be paid for all applicants with a wastewater discharge flow of up to 10,000 gallons per day. Thereafter the applicant shall pay \$50 for each 5,000 gallons per day flow increment over 10,000 gpd (i.e. for an applicant with a wastewater discharge rate of 29,500 gallons per day, the application fee is \$700.)	
<b>PRETREATMENT – PERMITTING FEES FOR INDUSTRIES ISSUED WRITTEN PERMISSION TO DISCHARGE*</b>	
Industries that are not considered Significant Industrial users will be issued Written Permission to Discharge. Industries with flows less than 10,000 gallons per day will be charged \$100 per permit cycle, while industries with flows greater than 10,000 gallons per day will be charged \$200. A Written Permission to Discharge is issued for two (2) years.	
<b>PRETREATMENT – ANNUAL FEES*</b>	
Significant Industrial Users shall pay \$300 per year in annual fees. This will cover the costs of inspections, report writing and data review throughout the year.	
<b>PRETREATMENT – BOD AND TSS SURCHARGES*</b>	
\$0.30/lb. for levels in excess of 250 mg/L.	

<sup>5</sup> Refer to 19.2 (Septage Disposal Policy) of the Augusta Water Operating Procedures and Policy Manual
